Journeyman Electrician

Location: Greater Vancouver and the Lower Mainland, BC
Employment type: Full-time
Status: Accepting applications

OVERVIEW

SAMPLE POSTING FOR REVIEW ONLY - NOT AN ACTUAL VACANCY. Electric Hero is looking for an experienced Journeyman Electrician to join our field team. You will lead residential service calls, commercial tenant improvements, strata maintenance and electrical upgrades across the region, working directly with homeowners, property managers and business owners. We value clean, code-compliant work and clear communication on every job.

RESPONSIBILITIES

- Diagnose and repair residential and commercial electrical faults safely and efficiently
- Install and upgrade service panels (60A to 400A), subpanels, dedicated circuits, outlets and lighting
- Install EV chargers, generators and other specialty equipment
- Coordinate service upgrades with BC Hydro and pull permits through Technical Safety BC
- Complete all work to the current Canadian Electrical Code and local bylaws
- Explain scope, options and findings to customers clearly before and after work
- Keep accurate job notes, photos, materials usage and time records
- Mentor apprentices on site and maintain a clean, organized service vehicle

QUALIFICATIONS

- Valid BC Certificate of Qualification (Construction Electrician) - Red Seal endorsement preferred
- Minimum 3 years of post-journeyman experience in residential and/or commercial service
- Strong troubleshooting skills and a solid working knowledge of the CEC
- Valid BC driver's licence with a clean driving abstract
- Current safety training such as Fall Protection, WHMIS and First Aid (or willingness to obtain)
- Own hand tools; company provides power tools and service vehicle
- Professional, respectful communication with customers and team members
- Legally entitled to work in Canada

COMPENSATION

SAMPLE: Competitive hourly wage based on experience (to be confirmed).

BENEFITS

SAMPLE: Benefits package details to be confirmed.

APPLICATION PROCESS

Apply using the form on this page with your contact details, certifications and resume. Our team reviews every application and contacts suitable candidates to arrange an interview. A short trade assessment and reference checks may be part of the process.
